

We would certainly welcome getting rid of  
Medicom once and for all. A new supplier would  
lift the spirits of all customers - help, help, help.

Sincerely,

Please let me add your names to the  
list of customers totally dissatisfied with  
Medicom. We are weekenders who have made  
numerous calls to have our service repaired. Of  
course they want to come out in the middle of the  
week when we are not there. They always need to  
send a repair which does fix the problem temporarily,  
however, the next weekend we are back to square one.
